++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry. North cloudier. Winds light.

Today:
Rather cloudy around northern end of the Great Glen and north of the A835, with the risk of a few isolated drizzly showers. However, most will stay dry, with bright and sunny spells most widespread in the south. Maximum temperature 6 deg C (43 deg F).

Tonight:
Again rather cloudy skies from Inverness to Ullapool and northwards, while clear spells across the south combine with the light winds to bring a widespread frost come dawn. Minimum temperature -4 deg C (25 deg F).

Monday:
Rather cloudy around Inverness, also later in far Northwest, perhaps with a few light drizzly showers cropping up. However most dry with sunny spells widespread in south. Maximum temperature 6 deg C (43 deg F).

Outlook for Tuesday to Thursday:
Tuesday and Wednesday brings a mix of brighter spells and a few light showers. Easterly winds freshening Thursday with showers probably merging to rain and hill snow later.
